

The next time you login to Vendor Connection on [Austin Finance Online](https://www.austintexas.gov/financeonline/vendor_connection/index.cfm) ([https://www.austintexas.gov/financeonline/vendor\\_connection/index.cfm](https://www.austintexas.gov/financeonline/vendor_connection/index.cfm)) you will be asked to add a North American Industry Classification System (NAICS) code.

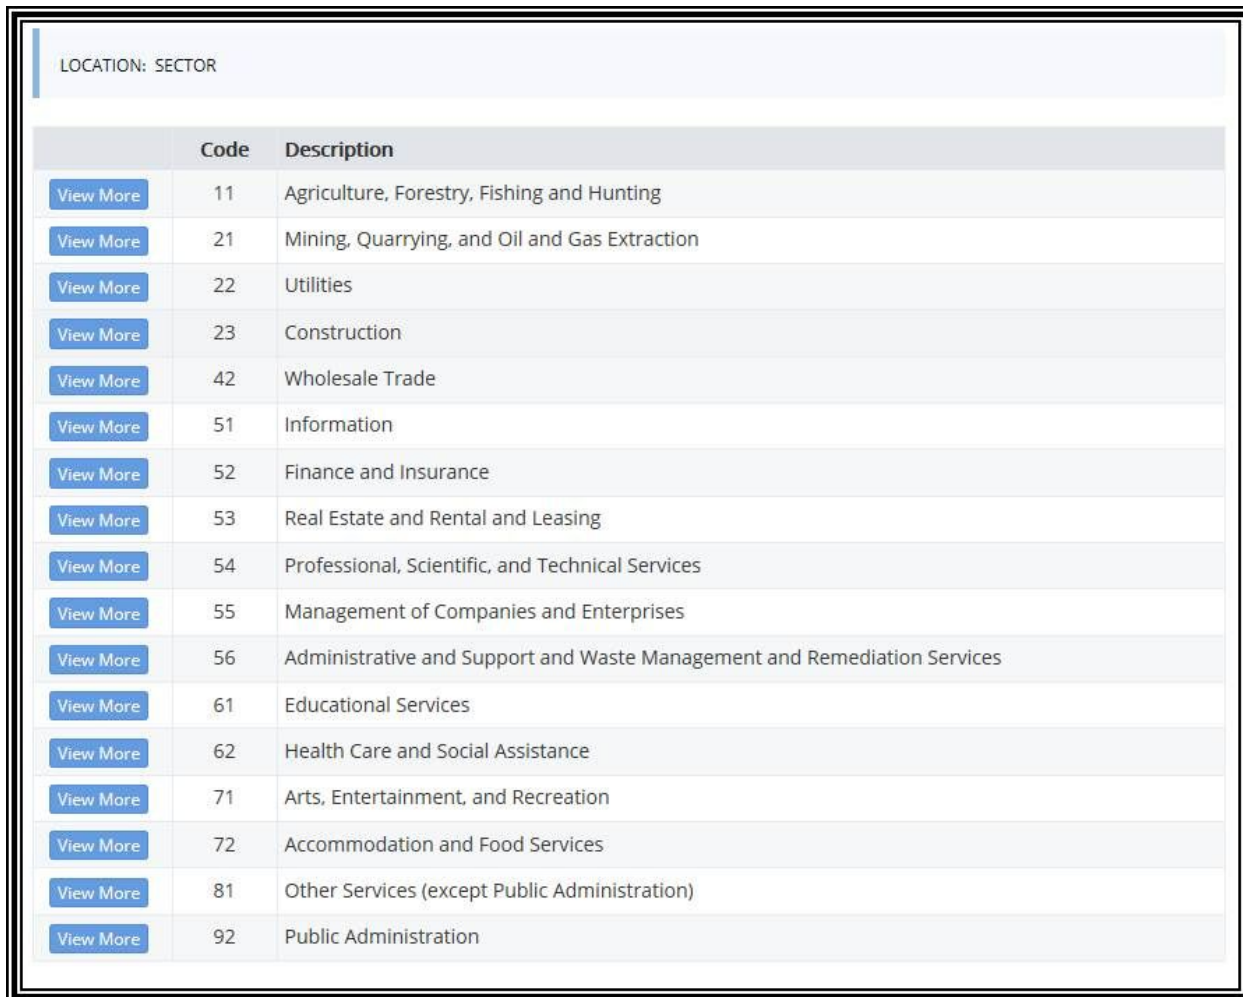

Once you login to add commodity codes - notice the field above the chart which allows you to enter a description or code for the goods and/or services that you provide to the City.

The image shows a web interface for NAICS search. At the top left, it says "NAICS SEARCH" with a magnifying glass icon. To the right is a button labeled "Back to Registered NAICS List". Below this is a search bar with an orange button labeled "NAICS Search" and a text input field containing the placeholder text "Type a NAICS description or code here and click the button to the right." To the right of the input field is a blue button labeled "Lookup NAICS Code(s)".

Here's an example of what you will see when you look under NAICS codes. If you would like to add additional codes, please click [View More](#) on the left hand side to explore additional codes.

Remember, the Certification may ask for additional documentation for any new codes that you select.

The image shows a table of NAICS codes. At the top left, it says "LOCATION: SECTOR". The table has three columns: "Code", "Description", and "View More". Each row contains a code, a description, and a "View More" button.

Please contact the Vendor Registration team at 512.974.2018 for any questions about vendor codes. As always remember this is a marketing tool. Use this opportunity to review and update your contact information, email addresses and phone numbers to ensure that you will receive all communications regarding upcoming solicitations.
