In the event of an emergency affecting safety of persons or property, Contractor may proceed as above without notice, but Contractor shall give Subcontractor notice promptly after the fact as a precondition of cost recovery.

12.2 TERMINATION BY CONTRACTOR: If Subcontractor fails to commence and satisfactorily continue correction of a default within three (3) days after written notification issued under Paragraph 12.1, then Contractor may, in lieu of or in addition to Paragraph 12.1, issue a second written notification, to Subcontractor and its surety, if any. Such notice shall state that if Subcontractor fails to commence and continue correction of a default within seven (7) days of the written notification, the Agreement will be deemed terminated. A written notice of termination shall be issued by Contractor to Subcontractor at the time Subcontractor is terminated. In the event of Owner termination, Contractor liability to Subcontractor shall be limited to the extent of Contractor recovery on Subcontractor's behalf under the prime agreement. Contractor agrees to cooperate with Subcontractor, at Subcontractor's expense, in the prosecution of any Subcontractor claim arising out of Owner termination and to permit Subcontractor to prosecute the claim, in the name of Contractor, for the use and benefit of Subcontractor, or assign the claim to Subcontractor.

12.4 TERMINATION BY SUBCONTRACTOR: If Subcontractor Work has been stopped for thirty (30) days because Subcontractor has not received progress payments or has been abandoned or suspended for an unreasonable period of time not due to the fault or neglect of Subcontractor, then Subcontractor may terminate this Agreement upon giving Contractor seven (7) day's written notice. All unresolved claims, disputes and other matters in question between Contractor and Subcontractor shall be resolved in the manner provided in this Agreement.

13.2 DAMAGES: If the prime agreement provides for liquidated or other damages for delay beyond the completion date set forth in this Agreement, and such damages are assessed, Contractor may assess a share of the damages against Subcontractor in proportion to Subcontractor's share of responsibility for the delay. However, the amount of such assessment shall not exceed the amount assessed against Contractor. Nothing in this Agreement shall be construed to limit Subcontractor's liability to Contractor for Contractor's actual delay damages caused by Subcontractor's delay.

13.2.1 CONTRACTOR CAUSED DELAY: Nothing in this Agreement shall preclude Subcontractor's recovery of delay damages caused by Contractor.

13.3 WORK CONTINUATION AND PAYMENT: Unless otherwise agreed in writing. Subcontractor shall continue Subcontract Work and maintain the Progress Schedule during any dispute resolution proceedings. If Subcontractor continues to perform, Contractor shall continue to make payments in accordance with this Agreement.

13.4 MULTIPARTY PROCEEDING: The parties agree, to the extent permitted by the prime agreement, that all parties necessary to resolve a claim shall be parties to the same dispute resolution proceeding. To the extent disputes between Contractor and Subcontractor involve in whole or in part disputes between Contractor and Owner, disputes between Subcontractor and Contractor shall be decided by the same tribunal and in the same forum as disputes between Contractor and Owner.

13.5 NO LIMITATION OF RIGHTS OR REMEDIES: Nothing in Article 13 shall limit any rights or remedies not expressly waived by Subcontractor which Subcontractor may have under lien laws or payment bonds.

13.6 STAY OF PROCEEDINGS: In the event that provisions for resolution of disputes between Contractor and Owner contained in the prime agreement do not permit consolidation or joinder with disputes of third parties, such as Subcontractor, resolution of disputes between Subcontractor and Contractor involving in whole or in part disputes between Contractor and Owner shall be stayed pending conclusion of any dispute resolution proceeding between Contractor and Owner.

13.7 DIRECT DISCUSSION: If a dispute arises out of or relates to this Agreement, the parties shall endeavor to settle the dispute through direct discussion.

13.8 MEDIATION: Disputes between Subcontractor and Contractor not resolved by direct discussion shall be submitted to mediation pursuant to the Construction Industry Mediation Rules of the American Arbitration Association. The parties shall select the mediator within fifteen (15) days of the request for mediation. Engaging in mediation is a condition precedent to any form of binding dispute resolution.

13.9 ARBITRATION: Any controversy arising out of the performance or non-performance of the work required by any Subcontract or any sub-subcontract, or the interpretation thereof, is subject to arbitration, and judgment may be entered on the award. All sub-subcontractors and material suppliers to Subcontractor are bound by this arbitration provision. Arbitration shall be in accordance with the arbitration provision contained in the contract between the Contractor and the Owner, when there is such an arbitration provision. Upon the demand of any party, any other party subject to this arbitration agreement shall join in and become a party to and be bound by such arbitration proceedings. If, because of the objections of other parties, or because of the structure of the arbitration clause in the agreement between Contractor and Owner, it is not possible for Subcontractor, or its subcontractors or suppliers, to become parties to the arbitration proceedings, and if Subcontractor's work or performance becomes an issue in arbitration proceedings between Contractor and Owner, then Subcontractor will, at its own expense, supply counsel, evidence, and witnesses to establish Subcontractor's performance of its obligations to Contractor under this Subcontract. Subcontractor will be bound to Contractor by award. If there is no arbitration clause in the contract between Contractor and Owner, then arbitration shall be in accordance with the Construction Industry Rules of the American Arbitration Association. Should any party refuse or neglect to appear at, or participate in, arbitration proceedings after due notice, the arbitrator will decide the controversy in accordance with evidence introduced the party or parties who did appear. The arbitrator will award reasonable attorney's fees to the prevailing party. Rescission of the Subcontract shall not impair this arbitration agreement.

13.10 COST OF DISPUTE RESOLUTION: The cost of any mediation proceeding shall be shared equally by the parties participating. The prevailing party in any dispute that goes beyond mediation arising out of or relating to this Agreement or its breach shall be entitled to recover from the other party reasonable attorneys' fees, cost and expenses incurred by the prevailing party in connection with such dispute.

13.11 BACKCHARGES: Subcontractor will promptly pay Contractor for any damage or loss that Contractor may sustain as a result of Subcontractor's performance or failure of performance.

14 WARRANTY: The Subcontractor warrants its work and material against defects. All work and materials will be as called for in the Contract Documents. If the Contract between Contractor and Owner contains warranty provisions, Subcontractor shall comply with those provisions at no expense to Owner or Contractor. If no warranty is provided in the Contract between Contractor and Owner, or in the Contract between Contractor and Subcontractor, then the Subcontractor shall guarantee its work for one year after completion of the project, and promptly upon notice from Owner or Contractor, shall repair defective work.

15 CONCEALED CONDITIONS: By executing this Subcontract, Subcontractor represents that it has made a thorough examination of the job site and has located and allowed for all conditions, including concealed underground conditions such as rock and utilities, that are to be encountered in the performance of the work. Subcontractor has taken such conditions into account in arriving at the Subcontract price. No additional compensation or extension of time shall be allowed because of concealed or unforeseen conditions about the job site.

16 INVESTIGATION BY SUBCONTRACT: Subcontractor has carefully examined and understands this Subcontract and the other contract documents, and has investigated the nature, locality and site of the work and the conditions and difficulties under which it is to be performed. Subcontractor enters into this agreement on the basis of its own examination, investigation and evaluation of all such matters, and not in reliance on the opinions or representations of Contractor and/or Owner. If there are any inconsistencies between the contract documents, or ambiguities in any contract document, Subcontractor shall bring such inconsistencies or ambiguities to the attention of Contractor before the execution of the Subcontract; otherwise, Subcontractor shall be bound by Contractor's resolution of such inconsistencies or ambiguities.

17 SUPERVISION: Subcontractor shall maintain a competent, experienced English-speaking superintendent or foreman on the project at all times, with authority to carry out directives of the Contractor relating to the Subcontractor's work and responsibilities.

18 PUNCH LIST: At the conclusion of construction, a "punch list" which requires correction or completion may be given to Subcontractor. Subcontractor agrees to complete such "punch list" within seven (7) days of receipt. Subcontractor's failure to correct said items within said seven (7) day period shall give the Contractor the right, but not the obligation, to complete or correct said items without further notice to Subcontractor, and to charge the cost thereof to Subcontractor.

19 CLEANUP: Subcontractor will continuously clean the job site, and Subcontractor's work areas will be maintained in an orderly and broom-clean condition at all times. Subcontractor will locate its materials and equipment so as to avoid interference with other trades. If Subcontractor fails to perform as required by this paragraph, Contractor may do so at Subcontractor's expense.

20 DESTRUCTION OR DAMAGE OF THE WORK: Subcontractor will carry its own insurance to protect it against destruction of, or damage to, the Subcontractor's work, including stored materials not yet incorporated in the work. Subcontractor will be responsible for its work until completion of the entire project and its acceptance by the Owner. Until that time, Subcontractor has the risk of damage or loss. In the event of damage to or destruction of the work, Subcontractor will rebuild its portion of the work without additional compensation, and will look to its own resources or insurance coverage to pay for such rebuilding. Subcontractor will promptly perform rebuilding without additional compensation regardless of the pendency of any claim by Subcontractor against any other party, including Contractor, that such party is liable for damage to or destruction of Subcontractor's work.

21 QUALITY OF THE WORK: All materials and equipment shall be as specified and all work shall be performed by Subcontractor in a first-class and workmanlike manner.
